**11am - 2 pm**

**Topgolf**  
365 Vin Rambla  
El Paso, Texas 79912

# GREETINGS!

You are cordially invited to the 2nd Annual PdN Children's Swing for Kids with Special Needs.

This is an inclusive tournament for both young and seasoned alike.

Whether you are a scratch golfer or know not the difference between a sand-wedge and a sandwich, all abilities are encouraged to come, play and help

PdN Children's raise invaluable funds to assist children with special needs and their families with critical therapies and services that improve the quality of their lives and help improve the local economy.

# About PdN Children's

PdN Children's, established in 1948, is the only agency in the community dedicated specifically to helping children with special needs in a not-for-profit setting. Our mission is to provide children with special needs, their families and the community with therapeutic, educational, childcare and support services.

The guiding principle of the Paso del Norte Children's Development Center is that all children with special needs, regardless of economic considerations, will have access to specialized services provided by licensed, qualified therapists. The physical, speech, and occupational therapies we provide improve the health status of our young clients and help them, and their parents, to better manage specific disability-related symptoms and complications to achieve an improved health status and enhanced quality of life.

However, for many of El Paso's underinsured, low-to-middle income families the sustained acquisition of needed therapies poses arduous economic challenges and hardships. In response, the Paso del Norte Children's Development Center has implemented an innovative service delivery paradigm to overcome these economic barriers.
