A Letter From Our CEO

We're excited to celebrate PdN Children's 75th Anniversary this year! As part of the celebration, we've planned a variety of special events for 2023, including our **Anniversary Luncheon at Startlight Event Center on Thursday, August 17, 2023.**

I encourage you to consider a sponsorship showing your support for our mission and legacy that we have built in the El Paso community. If you choose to sponsor this event, you'll receive special recognition at the event itself, and your company will also be able to use this opportunity for marketing and networking purposes.

No matter how much you decide to contribute, rest assured that every penny counts and goes towards making a real difference in children's lives! So please join us this year as we celebrate PdN Children's 75th Anniversary and help us make this luncheon even more special by supporting the cause!

Thank you for your support!

A Note from Johnny: I wasn't always an athlete. I was what some people liked to call disabled. Born with cerebral palsy, my shot at being an athlete seemed distant. My parents told me that the only thing stopping me from being an athlete was the doubt in my mind. So I threw that doubt out the window.

My goal was to walk a mile: something that was easy for others but a marathon to me. I put in the work, the blood, sweat, and tears. It made me appreciate what other athletes feel. Completing the mile had an amazing impact on many people who had seen my story. I began to see that competing isn't just about me crossing the finish line: it's about helping others leave uncertainty in the dust—even those facing greater obstacles than me.

I know now that I have the support of so many wonderful friends and family, and the title, finally, of a true athlete. But more importantly, I have the chance to inspire more people than I thought I ever could. Now I want to spread what I've learned about living beyond doubt and impossibility, so that everyone has a chance to inspire themselves and others, too.
